JOHN SOMERS (1727-1799) (per deed 15 MAR 1765, John's father was Richard Somers, Sr., deceased. Richard gave 500 acres to John on 1 APR 1760. John's mom is Judith (Letart) Somers. Cont'd below)	600	12	30					
(John's wife was Hannah Spicer/Spiner Ludlam (1735-1800). They were married 1756. John was in the Revolution.)

(and John Scull is eldest brother of Abel Scull JR = so, ABEL SCULL SR is father of John Scull and Abel Scull Jr. FamilySearch.org. Deeds Vols. A-C, images 375-378. DGS 8569429.)								
ISAIAH SCULL (son of John Scull, per his brother David Scull's will filed 9 JUN 1749. The will of David Scull filed 9 JUN 1749 is on FamilySearch.org < catalog < New Jersey < Probates <	100	12	5					
miscellaneous section of New Jersey Wills, arranged by county < images 274-275, DGS #8139599. This will was lost at the time of scanning wills, and was later found, which is why it is by itself here. David								
was not mentioned in his father John Scull's will written 15 MAR 1745, probably because it appears David never married nor had children, maybe he was sickly. The father John Scull's will states: of GEH, yeoman, wife is Mary,								
his sons: John (the eldest), Abel, Peter, Daniel, Benjamin, Recompense, Gideon, Isaiah. Daughters: Margaret (wife of Robert Smith), Catherine (married Amos Ireland), Mary Lee, Rachel (married James Edwards). John Scull								
died 8 FEB 1748, GEH.)

(cont'd) Phebe Stites, Mary Somers, Sophia Scull. OF NOTE, THERE WAS A DIFFERENT RECOMPENCE SCULL THAT LIVED IN CAPE MAY COUNTY, AND WAS ALIVE in deeds from 23 DEC 1796.								
(Cont'd) the Cape May County Recompense Scull was grandson of David Scull. Daniel Scull and David Scull were also mentioned as grandsons, so they are either brothers or cousins to Cape May Recompense.								
GIDEON SCULL (son of John Scull per his brother David Scull's will filed 9 JUN 1749. cont'd below)	400	12	30			1	1/2	1/2
(Per deed 27 AUG 1792 in Gloucester County, Gideon was son of John Scull and got the land here in GEH from his father John by deed dated 10 JAN 1742/3. (cont'd)...								
(Gideon named 1 of his sons Gideon Jr, and Gideon Jr married "Sarah" and removed to Upper Penns Neck in Salem County. Deed states Gideon SR is deceased and bequeathed this land by his will. Deed also states:								
(that the names of the other sons of Gideon Scull Sr are: Paul and Mark. Paul died. Mentions some of the land went to brother James, so James Scull was another son of Gideon Scull Sr here on this tax list.)								
(The next deed states Daniel Leeds now lives with Gideon Scull Sr's widow in GEH. Then states James Scull (wife Susannah) removed to Galloway.)								
(deed on FamilySearch.org. Gloucester county catalog, deeds vols. D-E, images 556-558, DGS #8217385. cont'd								
(The WILL of Gideon Scull Sr was PROVED 21 MAR 1777 and states: his wife is Judith. Sons = James, Gideon, Paul, Mark. Daughters: Mary (Scull) Bassett, and Judith, Hannah, Margery, Ruth, and Rachel Scull.)

FREDERICK STEELMAN (1718-1778) (son of Andres and Judith (Alison/Olson) Steelman. He married Sarah Somers, daughter of James and Abigail (Adams) Somers.)	200	12	25	1	1	1		1
(when Frederick's wife Sarah's mother Abigail Somers died, she bequeathed to her "a "neger" woman, Charaty" per her will proved 17 NOV 1772. Abigail Somer's other daughter was Rebecca Somers, who								
(married John Badcock, son of Return Badcock (1700-1788). John's brother Jonathan Badcock died in 1806 and in his will, he set free his black slave, Charity Pines. Could this Charity be Charaty?								
(if so, Charity Pines was first owned by Abigail (Adams) Somers, then bequeathed to her daughter, Sarah (Somers) Steelman, then Jonathan Badcock got her, and set her free upon his death.

HOUSEHOLDERS NAMES
*Of note, many of the below HOUSEHOLDERS lived in Egg Harbor Township, confirmed by land/probate records, etc., but this is filed
with the Duplicate Galloway 1773 list as part of the Great Egg Harbor Township list, so this list must have people from both Egg Harbor Township and the port called Galloway
combined. There is a sentence that states "the port called Galloway" at the end of this, so I am unsure if "the port called Galloway" was different
from GALLOWAY TOWNSHIP during the year of 1773.
